

Southern Indiana's Antique and Machinery Club General Rules

1. All mechanical equipment is to be operated in a responsible manner. All S.I.A.M. members are responsible for the safe operation of all mechanical equipment.
2. **Tractors may not leave the antique area** unless authorized to do so. **Stay off of the blacktop.**
3. No more than ONE passenger on a tractor.
4. **Tractors must be operated in low gear or less than 3 miles per hour.**
5. Operators must be 16 years of age for golf carts, gators, and the like.
6. **Do not operate tractors on food booth road.**
7. All working displays must be roped off and operated in a safe manor.
8. **When returning from a parade or other activity, you must park in the same space you were before.**
9. Stay away from moving or operating equipment unless you are directly operating it. **Keep safety in mind!**
10. With exception of small engines and large stationary equipment, all powered activity will take place east of the ditch through the antique area.
11. Remember we are all responsible for our actions. They reflect upon our club. Let us be proud.

S.I.A.M. Board of Directors
